

SONS AND DAUGHTERS OF EX 3 SQN MEMBERS

No 3 Squadron, RAAF, was formed in 1916, some five years prior to the formation of the RAAF in 1921. The Squadron has served with distinction in both WW1 and WW11, also Malaysia and Iraq. The Sqn flew quite a number of different aircraft – more recently Sabre, Mirage and currently being equipped with the elite F35. Your father served proudly with 3 Sqn – some during WW11 and others during peace time at RAAF Base Williamtown and RAAF Base Butterworth Malaysia.

3 Squadron RAAF Associations were formed, by States, to enable those persons who had previously served with 3 Sqn, an avenue to maintain contact with their fellow mates and enjoy their company through Newsletters and get together throughout the year.

Seeing that you have a close affinity with 3 Sqn (being brought up in the vicinity of Williamtown and/or Butterworth), and present members are getting older and thus the Association in QLD losing members through natural decimation, the Committee of 3 Squadron RAAF Association QLD has decided to offer membership to Sons and Daughters of ex 3 Squadron personal, thus ensuring that your Father's Name, exploits and endeavours are maintained.

Membership costs \$15 per person on initially joining and entitles you to a Members Association Lapel Badge; a Name Tag; an Association Newsletter quarterly; a Luncheon Reunion held the last Saturday in July alternatively Redlands RSL and Currumbin RSL – 2020 Currumbin – and last Saturday November at Caloundra RSL. After initially joining the cost is \$10 per year to be paid by ANZAC DAY.

Please give this serious thought and indicate your intention by completing the attached application.

Thank you

Bill Farrell
Secretary, 3 Squadron Association QLD
